EVIDENCE-BASED NUTRITION YOU CAN TRUST

Dear Health Care Provider;

Hello, my name is Lora Williams, MS, RD, LD. I am a registered and licensed dietitian providing evidenced-based medical nutrition therapy (MNT) and group nutrition education for:

- Diabetes
- Weight Loss/gain
- Heart Disease
- Hyperlipidemias
- GI issues (celiac, crohn's, IBS, etc)
- Renal Disease
- Liver Disease
- Bariatric Nutrition (Pre/post)
- Behavioral Health Nutrition
- Bone Health Nutrition
- Nutrition related anemia
- Community Service/education

To learn more about me, visit my website: [www.fullcirclenutrition.com](http://www.fullcirclenutrition.com). I am a member of the American Dietetic Association (ADA), National Osteoporosis Foundation (NOF), and American Society for Metabolic and Bariatric Surgery (ASMBS). I am committed to providing evidenced-based nutrition education and medical nutrition therapy. Classes are held in the conference room at my Denton office or can be brought to your office, covering the nutrition topic of your choice.

Enclosed is a referral form for patients you deem would benefit from Medical Nutrition Therapy or nutrition education / intervention.

Thank you,

Lora Williams, MS, RD, LD
